AWARDS

Silver ADDY | 2021-2022

Awarded for "New York Spread" on my website.

SUMMARY

I graduated from the University of Alabama in 2022 with BFA in Graphic Design. Branding and Packaging are my strongest areas as well as Publication. I would love to work expand my work in Motion Graphics, and learning new coding languages to enhance my animation skills.

My other interests are Ceramics and French. I have been studying French for six years now and practicing pottery for four years.

EDUCATION

The University of AL | Tuscaloosa, AL
Bachelor of Fine Arts in Graphic Design
Graduated: December 2022

EXPERIENCE

The University of AL | Student Health Center
Graphic Designer

I created social media graphics, facebook and instagram ads, posters, flyers, and website banners that advertised student health.

Uverciti | Graphic Designer

I assisted a contracted engineer in creating the Motion Graphics for the upcoming app Uverciti made to help college students with ADHD.
